Goals of a Historic Resources Survey Plan?

• Recommends survey priorities by geographic area or resource type
• Suggests funding sources
• Develops potential project costs
Items to Consider During the Presentation

- General feedback
- Next steps
- Needed research on this topic that hasn’t been done
- Possible funding sources for future projects
Project Overview

• Identify previously surveyed and designated historic resources
• Develop a database of relevant resources using travel guides published for African American travelers and other sources
• Complete a limited “windshield” survey of identified resources
• Develop a historic overview
• Determine potential property types
• Conduct outreach concerning the project and participate in public meetings
